About Cutter Marina:

Cutter Marina is a full-service, family-owned marina on Middle River in Baltimore, MD. Our family—spanning three generations—has proudly owned and operated the marina since 2013, continuing a long-standing tradition of quality marine service in a welcoming, community-focused environment. We specialize in Honda Marine and Mercury Marine service, year-round boat storage, repairs, detailing, and dockside support. At our core, we value hard work, reliability, honesty, and treating customers like family. We take pride in maintaining a clean, safe, and professional facility where both boaters and team members feel respected and supported.

Benefits:

- Bonus based on performance
- Paid time off
- Competitive pay
- Company uniforms
- Employee discounts
- Health, Vision, and Dental Insurance
- Retirement Savings Plan
- Training & development programs

Requirements:

- Valid clean driver's license
- Ability to lift 50+ lbs and work outdoors in various weather
- Good health & physical mobility
- Ability to pass pre-employment background/drug screen
- Local to Baltimore County Area

We are seeking a reliable and hardworking Marina Yard Technician to join our crew. This is a hands-on role in a fast-paced, outdoor environment, ideal for someone who enjoys physical work, being around boats, and working as part of a team. You'll support daily yard operations including boat launching, maintenance assistance, and general yard upkeep.

Job Responsibilities Include:

- Launch and haul boats using trailers, forklifts, and lifts (training provided)
- Power wash boat bottoms and prepare for bottom painting
- Assist with winterizing and shrink wrapping boats
- Keep the marina yard, shop, and facilities clean, organized, and safe
- Move and block boats, place jack stands
- Assist mechanics and technicians with parts runs or basic tasks
- Perform light maintenance, cleanup, and odd jobs around the property
- Take pride in the overall appearance and functionality of the marina

Skills, Knowledge, and Characteristics Include:

- Dependable, motivated, and not afraid of hard work
- Good communication skills and teamwork - maintain good teammate relationships
- Positive attitude, willingness to learn, patience, accountability
- Friendly, courteous, self-aware, and clean personal appearance around customers
- Reliable, punctual, and able to work independently or with a team
- Experience in a marina or boat yard is preferred and mechanical aptitude is a plus
- Open to change and a variety of work
- Guiding oneself without constant supervision and motivated to get things done

Career Development & Training Support:

At Cutter Marina, we're committed to the professional growth of our team. We actively support employees who show interest and initiative in advancing their skills—whether that means hands-on mentorship, training in marine systems, or formal education. We've proudly helped team members attend Honda Marine School, mechanical training programs, and technical certifications. This role can be a strong stepping stone for a future in marine service and repair.

Schedule & Reporting:

Schedule:

- 8-hour shifts, Monday–Friday
- Work required at both Cutter Marina Locations (~1 min drive from each other)
- Overtime required as needed and incentives available

Reports to:

- Cutter Marina Service Manager
